

COMPANY PROFILE

Fall Hazard Risk Consultants

Bill Reichle, President, has 19 years experience in the Fall Protection industry specializing in Fall Hazard Remediation. He brings extensive expertise from several leading, national and international, Fall Protection manufacturers, where he focused on delivering engineered solutions for fall hazards.

Bill Reichle Associates, LLC was formed in 2002 providing a full-service Fall Hazard Risk Consultation offering initial facility-wide fall hazard assessments to identify potential risks, design and engineering of fall hazard remediation solutions, construction administration of fabrication/installation of engineered systems, design and delivery of Fall Hazard Awareness Training, Annual Inspection of Fall Protection Systems, evaluation of current Fall Protection Programs and Pre/Post Safety Audit consultation. The firm designs and implements programs, resulting in company's achieving a safer work environment, limiting liability and workmen's compensation cost with reduced likelihood of fall injuries.

Bill has worked extensively with firms in OSHA's Voluntary Protection Programs (VPP) to implement comprehensive fall protection systems and achieve exemplary occupational safety and health goals. Bill has assisted many Fortune 500 companies in the pharmaceutical/biotech, manufacturing, university/college, sports arenas, museum, telecommunications, hospitals and government facilities with their Fall Protection programs.

Bill is often a highlighted speaker on Fall Hazard Remediation Strategies at Safety Expos, National Safety Council's conferences as well as at industry-specific events such as the Pharmaceutical Forum on Prevention Engineering.

Bill holds a Bachelor of Science degree in Business Administration from Widener University is a Certified Safety Auditor and is OSHA certified. His professional memberships include: American Society of Safety Engineers (ASSE), National Association of Safety Professionals (NASP), OSHA's Voluntary Protection Program Participants Association (VPPPA) and International Society for Fall Protection (ISFP).

Bill resides in West Chester, Pennsylvania with his wife, Dee and two children.
